Re: H.R.H Price Faisal Bin Khalid Bin Abdulaziz Al Saud v. PIA Investments
Limited, Pakistan International Airlines Corporation, 07 Civ. 5603 (NRB)
(HBP)

Dear Judge Buchwald:

I am writing on behalf of Defendant Pakistan International Airlines Corporation. ("PIAC"). I understand from Plaintiff's counsel that the Court has requested that the parties confer regarding a briefing schedule with regard to PIAC's motion to compel arbitration and/or dismiss the Complaint. The parties have agreed to the following schedule:

PIAC's moving memorandum will be filed on June 28, 2007.

Plaintiff's opposition memorandum will be filed on July 16, 2007.

PIAC's reply memorandum will be filed on July 24, 2007.

I have learned since my previous letter to the Court dated June 21, 2007 that Defendant PIA Investments Limited ("PIAIL") has still not been served with the Complaint. 6/26/07 Accordingly, we will not be moving to dismiss on PIAIL's behalf or otherwise responding to the Complaint at this time, preserving all arguments including with respect to personal jurisdiction over PIAIL.

Respectfully yours,

Donald I Strauber
